

Legal Disclaimer

Global Transfer Services operates as a system-based tracking and verification platform providing administrative visibility into transfer and settlement processes.

Global Transfer Services does not operate as a bank, escrow service, money transmitter, custodial institution, or financial advisor, unless expressly stated under a separate written agreement.

All transfer status information, verification records, and system-generated documents are provided for informational and verification purposes only and are subject to internal compliance controls, processing reviews, and verification procedures.

No warranty, guarantee, or representation is made regarding the timing, completion, or release of any transfer unless explicitly confirmed in writing by authorized parties.
